

NAEB QUALITY POLICY

NAEB is committed to

Support the growth of Rwanda's agricultural exports,
Through a quality management system based on
ISO 9001:2015 Standard;

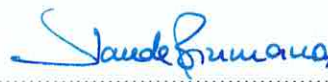

.... to be achieved through

1. Understanding and complying with agricultural export markets, statutory and regulatory requirements;
2. Setting, reviewing and monitoring relevant process risks, opportunities and quality objectives annually;
3. Continuous improvement of the QMS through internal audits, corrective action and management review once every six months;

.... & effectively

4. Communicate and implement this policy throughout the entire organization and key stakeholders.
